

# A NEW YEAR OF HAPPINESS

To Our Dear Family & Friends:

**H**appy 2002 and Year of the Horse! In lieu of a Christmas letter, we are sending you our Chinese New Year Letter!

2001 had been very eventful. In June, Vincent moved from Los Angeles to Atlanta, Georgia to join the Centers for Disease Control and Prevention, where he is working as a medical epidemiologist. Although the events of September 11 and the anthrax situation kept him very busy, Vince was still able to pass his Infectious Disease boards. Grace had been working in Malaysia up until the wedding as the Penang Adventist Hospital Heart Centre Manager.

We got married on Christmas in Penang. All of Vincent's immediate family was able to attend, including Grandpa from Taiwan. The ceremony by the sea was held in the Eastern & Oriental Hotel garden. Nearly 500 guests attended the ceremony and reception that followed. Other than a 24-hour gastrointestinal illness that Vincent acquired, the wedding sailed on smoothly.

We then flew to Los Angeles where another reception was held at the Ruby Diamond Restaurant. We were so thrilled to see friends and family that we had not seen in some time. Grace's mother was also able to spend two weeks with us in Atlanta and witnessed an unusual occurrence down here—snow!

We are now settling down in Decatur, just next door to Atlanta. We are so grateful to all of you for

your love and support during the past few weeks. We hope that you will have opportunity to visit us in Georgia this year. Do keep in touch

with us! We hope all of you had a wonderful 2001 and God's blessings for a joyous 2002! Love,  
*Grace & Vincent*
